

TABLE 5 (Contd...)**Air and Water Pollution, and Solid Waste Management**

Institute/University	Project	Funding Agency	Status
Annamalai University	Environmental problems of Tanjore town	MIDS	Completed
	Environmental problems of Chidambaram town	NA	Completed
Babasaheb Bhimrao Ambedkar University	A study of socio economic impact of industrialization in Jagdishpur industrial area	Indo-Gulf Fertilisers	Ongoing
Bharatidasan University	Urban environmental management in Tamilnadu	UNDP	Completed
Global Science Academy	Impact of basic sugar mill effluent on water quality of Nariyano Tal	Dept. of Science & Technology	Proposed
Govind Ballabh Pant Social Science Institute	Internalization of wastes in industrial plants : A study of the techno-economic scope in two plants	NA	Ongoing
Himachal Pradesh Krishi Vishva Vidyalaya	Project of cement factory at Barmana (Bilaspur, HP) on maize production	NA	Completed

TABLE 5 (Contd...)

Air and Water Pollution, and Solid Waste Management

Institute/University	Project	Funding Agency	Status
Indira Gandhi Institute of Development Research	Economic valuation of environmental degradation: Metropolitan environment improvement programme	World Bank	Completed
	Waste paper trade and recycling: A case study of India	CREED, IIED, UK	Completed
Institute for Social and Economic Change	A comparison of policy instruments for abatement of pollution in India and Netherlands	IDPAD, The Netherlands	Completed
Institute of Development Studies	Water pollution in Rajasthan – A survey of surface and groundwater	NA	Ongoing
Institute of Economic Growth	Fiscal instruments for industrial pollution abatement	IDRC	Completed
	Production and cost functions for water pollution abatement in Indian industry	NA	Ongoing
	Water pollution abatement and industrial growth : A case study of distilleries in India	IEG	Completed
Jadavpur University	Pollution related data for industries in West Bengal	West Bengal Pollution Control Board	Completed

TABLE 5 (Contd...)

Air and Water Pollution, and Solid Waste Management

Institute/University	Project	Funding Agency	Status
Madras Institute of Development Studies	Environment action programme: Urban environment of TN	MoEF & UNDP	Completed
	Status report on urban environmental management in India	MoEF & UNDP	Completed
	Solid waste management – Madras	Environment Resource Management, U.K. and MMDA	Completed
	Urban environment of Tamilnadu – Phase I	MoEF and UNDP	Completed
	Environment action programme : Urban environment of Tamilnadu II Phase	MoEF, GOI and UNDP, NewDelhi	Completed
	Economic assessment of environmental damage: A case study of industrial water pollution in Tiruppur	IGIDR and World Bank.	Ongoing
Madras School of Economics	Economic analysis of environmental damages by tanneries and textiles	UNDP Project LARGE	Completed
	Eco-labeling for the Indian leather industry	Ministry of Commerce	Completed
	Industrial support policy and pollution abatement by industrial agglomerations in semi-arid zones of Tamil Nadu and Karnataka	The Royal Netherlands Embassy	Completed
National Institute of Public Finance & Policy	Water conservation and pollution abatement in Indian industry – A case study of water tariff	NA	Completed
	Incentives and regulation for pollution abatement with an application to waste water treatment	NA	Completed

TABLE 5 (Contd...)

Air and Water Pollution, and Solid Waste Management

Institute/University	Project	Funding Agency	Status
	Designing of Pigouvian tax for pollution abatement – Case studies of sugar industry, paper industry and distilleries	NA	Completed
	Report of the task force to evaluate market based instruments for industrial pollution abatement	MoEF	Completed
	Administration of environmental regulations and incentives	NA	Completed
	Pricing of industrial pollution in India	MoEF	Ongoing
	Making common effluent treatment plants sustainable	MoEF	Ongoing
	Urban air pollution – A case study of Delhi	MoEF	Ongoing
	CETPs and pollution abatement	MoEF	Completed
	Tradeable permits for intra firm trading for air pollution control – A case study of Bokaro steel plant	MoEF	Ongoing
	Fiscal measures for air pollution control in Delhi	MoEF	Ongoing
	Estimation of pollution load and abatement cost in select industries in India	MoEF	Ongoing
Union Christian College	A Financial estimate of pollution control and abatement schemes in Eloor-Edayar industrial belt	N.A	Completed
	An evaluation of Economics Losses due to automobile pollution in Delhi	Centre for Science and Environment, New Delhi	Completed
	An economic evaluation of automobile pollution in Kochi	Centre for Development Studies, Trivandrum	Completed

TABLE 5 (Contd...)**Air and Water Pollution, and Solid Waste Management**

Institute/University	Project	Funding Agency	Status
	Environmental impact assessment of industrial activity in greater Kochi	UGC	Completed
University of Madras	Growth and dispersion of sugar industry in view with its external effects in Tamilnadu	UGC	NA

TABLE 5 (Contd...)

Energy, Environment, and Economy Interface

Institute/University	Project	Funding Agency	Status
Andhra University	Domestic market survey and estimation of export demand potential for equipment using renewable sources of energy	World Bank through ICICI	Completed
Indian Institute of Management Calcutta	Comparative study of structural transformation for sustainable energy consumption in India and Switzerland	Swiss National Science Foundation, Bern	Completed
Indian Statistical Institute, Calcutta	Estimation of discovery and production costs of Hydrocarbon: Some applications to Indian data	Oil and Natural Gas Commission	Completed
Indira Gandhi Institute of Development Research	Structural transformation process towards sustainable development	INFRAS, IAE, Switzerland	Completed
	Environmentally sound energy development strategies (Phase I & II for India)	UNEP Central for Energy and Environment, RISO, Denmark	Completed
	Consumption pattern by income groups and environmental implications for India	UNDP	Completed
	Consumption patterns, demographic pressures, resource use and environmental stress	UNCED, Geneva	Completed
	Trade and environment linkage: A case study of India	UNCTAD, Geneva	Completed
Indira Gandhi National Open University	Environment friendly behaviour under liberalisation-led competitiveness: A case study of pulp and paper industry of India	NA	NA

TABLE 5 (Contd...)

Energy, Environment, and Economy Interface

Institute/University	Project	Funding Agency	Status
Institute for Social and Economic Change	Household energy consumption : A regional analysis	ISEC	Ongoing
Institute of Economic Growth	Trade and environment	V.K.R.V.Rao Centre	Completed
	Reform of the subsidy regime: Implications for the agricultural sector: Irrigation and power	NA	Ongoing
	Export of agricultural commodities from India: Environmental regulations as trade barriers	NA	Ongoing
	Environmental regulations as trade barriers for developing countries : The case of Indian agricultural sector.	IEG	Completed
Jadavpur University	Integrated rural energy programme : Survey report and action plan for Gorubathan Block, West Bengal, India	IREP Cell, Dept of Development Planning	Completed
	Energy consumption in North Bengal tea estate	DSA Centre for Regional Economic Studies	Completed
	R&D project on cost-benefit analysis to the solar water heating system in Khardah jute mill and solar cookers under operation in different parts of Calcutta	West Bengal Renewable Energy Development Agency	Completed
	Solar lanterns and other new technologies in rural areas	West Bengal Renewable Energy Development Agency	Completed

TABLE 5 (Contd...)

Energy, Environment, and Economy Interface

Institute/University	Project	Funding Agency	Status
	Cost competitiveness of the supplementary power generating system in Calcutta city	DSA Centre for Regional Economic Studies	Completed
	Decentralised power generation – An analysis of cost and scope for renewable	DSA Centre for Regional Economics studies	Completed
	Productivity trends in India’s energy intensive industries in India : An econometric approach	NA	Completed
	India’s environmental pollution abatement policies – an evaluation on through cost analysis	DSA Centre for Regional Economic Studies	Completed
	A study on effect of the pollution control scheme in goods and services in the Indian economy	NA	Completed
National Institute of Public Finance & Policy	Positive and perverse subsidies and the environment with special reference to agriculture in India	World Bank Aided India Capacity Building Programme in Environmental Economics	Ongoing

TABLE 5 (Contd...)

Energy, Environment, and Economy Interface

Institute/University	Project	Funding Agency	Status
Research And Information System for the Non-Aligned and Other Developing Countries	A study on the impact of environmental standards on the international trade of South Asian countries	Perez-Guerrero Trust Fund for economic and technical cooperation among developing countries, group of 77, United Nations	Ongoing
	Border trade and biodiversity conservation in the eastern Himalaya region	TRAFFIC India/WWF-India	Ongoing

TABLE 5 (Contd...)

Other Issues			
Institute/University	Project	Funding Agency	Status
Annamalai University	Database for development research in Tamilnadu – Focus on environment	NA	Completed
Centre for Economic and Social Studies	Minor research project on agricultural economics	U.G.C.	Completed
Centre for Development Studies	A study project to analyze the efficiency implications of the emerging institutions for managing environment	Internal Funding	Completed
Centre for Research and Rural and Industrial Development	Environmental status of slums in UT Chandigarh	UT Administration, Chandigarh	Ongoing
Indian Institute of Technology, Chennai	Environmental impacts on health	ICMR/WHO	Proposed
Indira Gandhi Institute of Development Research	Capacity 21 – capacity building for introduction of environmental economic into decision making for sustainable development	UNDP/MoEF	Ongoing
	India environmental management capacity building – Technical assistance project	World Bank	Ongoing
	Sustainability – Definition, measurement, monitoring	MoEF, GOI	Completed

TABLE 5 (Contd...)

Other Issues

Institute/University	Project	Funding Agency	Status
	Models for sustainable development	ESCAP, Bangkok	Completed
	Sustainable development: Global commons and India's policy options	Rockefeller Foundation	Completed
Institute of Development Studies	Environmental entitlement: The institutional dynamics of environmental change	ESRC, GEC	Completed
	Sidhmukh and Nohar irrigation project: A baseline survey	Commission of the European Union	Newly launched
Institute of Economic Growth	Report of the Committee for gender equality in land devolution in tenurial laws	NA	Completed
	Institutions of environment management and gender implications	NA	Completed
	Gender, collective action and common property: Some conceptual aspects	NA	Ongoing
	Environmental management, equity and eco-feminism : Debating India's experience	IEG	Completed
	Operationalizing sustainable development : Ecology economy interactions at regional level	IDPAD	Completed
	Gender, poverty and environment change in rural India	WRI	Completed
	Population and environment in semi-arid zones of India	WRI	Completed
	Environmental action, gender equity and women's participation	NA	Completed
Gender, environment and poverty interlinkages in rural India	NA	Completed	

TABLE 5 (Contd...)

Other Issues			
Institute/University	Project	Funding Agency	Status
Madras Institute of Development Studies	Validation survey of habitations not covered by rural water supply in Salem, Periyar and Coimbatore Districts	Rajiv Gandhi Drinking Water Mission	Completed
Madras School of Economics	Fiscal reforms for sustainable development (jointly with NIPFP)	WRI, Washington D.C	Completed
Mother Teresa Women's University	Periphery within periphery – Work and life pattern of women in Kodaikanal	NA	Completed
National Institute of Public Finance & Policy	Economic instruments for environmental sustainability (jointly with MSE)	WRI	Completed
North-Eastern Hill University	Ethics and environment	NA	Completed
Saurashtra University	Area study of little ran of Kutch	Government of Gujarat	Completed
Sparta Institute of social studies	Gender issues in sustainable development and environment promotion	Internal Funding	Ongoing
	Sustainable agriculture with indigenous technology	Ministry of I&B and SRDO	Completed

TABLE 5 (Contd...)**Other Issues**

Institute/University	Project	Funding Agency	Status
Tamil Nadu Agricultural University	Ecologically sustainable agricultural technologies – Economic assessment of issues, prioritisation of research and strategies	N.A	Proposed
Union Christian College	Jubilee variant : A green belt project in Alwaye municipal area	Alwaye Municipality	Completed
University of Allahabad	Sustainable development, environment and security interface	IDRC/Ford	Completed
University of Madras	Women and ecology in social forestry	MUSE	N.A
